

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, NY 10007

October 12, 2014

Dear Friends:

It is a great pleasure to welcome everyone to the Bronx County Medical Society's Centennial Gala Celebration honoring Dr. Louis C. Rose for his service as President.

Our city is home to the finest hospitals and medical centers in the world, and it is thanks to the efforts of our talented doctors that these cutting-edge facilities are able to provide quality care to patients throughout the five boroughs. The Bronx County Medical Society has long supported the borough's physicians, encouraging professional excellence and working to improve public health. By sponsoring a physician referral service, offering scholarships to promising students, and organizing professional development opportunities for its members, the Society helps to better address the health needs of the Bronx community. Tonight is a terrific opportunity to recognize this organization for its century-long history of providing quality health services to New Yorkers, and also to applaud Dr. Rose for leading the Society in its efforts to build a healthier future for us all.

On behalf of the City of New York, many thanks to Dr. Rose for his unwavering commitment to preserving the health of our residents, and to the Society on this milestone anniversary. Please accept my best wishes for a wonderful gala and continued success.

Sincerely,

A handwritten signature in cursive script that reads "Bill de Blasio".

Bill de Blasio
Mayor
