Bronx County Medical Society
3560 Netherland Avenue, Suite 2F
Bronx, NY 10463

Dear Friends:

I would like to congratulate the Bronx County Medical Society on the occasion of their *Centennial Gala Celebration*.

For over a century, the Bronx County Medical Society has fostered the highest possible medical and ethical standards for all doctors, engaged actively with the Bronx community and supported regulations to protect patients and physicians. This institution, which was established in 1914—the same year as the creation of Bronx County—has evolved into a prestigious resource center for both its members and the community-at-large.

This annual dinner dance is always a wonderful occasion, honoring doctors and professionals of the medical field who possess records of outstanding commitment to the residents of this great borough.

I offer my most heartfelt congratulations to Bronx County Medical Society's Immediate Past President, Louise C. Rose, M.D., for his well-deserved recognition and many years of accomplishment within the medical field.

On behalf of the 1.4 million residents of The Bronx, I salute the Bronx County Medical Society for their wonderful work and wish them continued success on all their future endeavors.

Sincerely,

Ruben Diaz Jr.
Bronx Borough President
